ANTIQUED HEMP CORDS

The 1 mm antiqued hemp cords are available in rolls of various colors. "Antiqued hemp" is variegated in color, not solid, and is meant to look aged. The texture of the string is rough like raw hemp is. Hemp is Nature's craft cord. The unique coloring of these cords will create an antique look to any project. Great for necklaces, bracelets, macramé, bead stringing, dreamcatchers, and much more.

EMBALMERS TWINE

TWE183-4

TWE3RP-4

TWE7RP-4

These are 4 ounce rolls of waxed polyester embalmers' twine. The embalmers' twine is 100% polyester and is waxed with brown wax. Embalmers twine is tightly twisted to facilitate hand sewing fine, straight stitches. Its applications include taxidermy, leather crafting, shoe repair, and, indeed, the preparation of the deceased. It is also ideal for craft projects such as stitching hides, jewelry, crafts, basket weaving, dream catchers, and more.

Made in USA
