

3080-2 Shell Buttons

AUSTRALIAN ABALONE SHELL BUTTONS

The Australian abalone shell buttons are made from brown lip abalone shell. They are smooth on the front, but have an old-fashioned style roughness on the back of the shell, which is great for traditional crafts. The shells are a by-product of the food industry. (*Haliotis rubra, ranch*).

Made in China or South Korea from Australian Shells

495-H40L

The Australian abalone shell heart shape buttons have two holes. (*Haliotis rubra, ranch*).

Made in China from Australian Shells
