

5260-6 Animal Hair

ALPACA NOIL

Noil is the English term for cleaned wool waste. It is basically short-hair wool that is not good for making yarn, but excellent for stuffing dog beds, dolls, pillows, etc. The noil is washed and sterilized. Most tend to be off-white, but some are natural black or natural brown. (*Lama alpaca, ranch*).

Product of South Africa

These craft fur pieces are made from tanned Icelandic sheepskins. The sheep hair is curly, long and can be used for craft projects. Each piece have a skin side that is 2" x 2" and the hair is 4" to 7" long. (*Ovis aries, ranch*).

Made in Iceland

5260-7 Animal Hair

This is washed yak tail hair. The hair is approximately 12 to 18 inches (30 to 45 cm) long. The color may vary due to natural variations. Yak hair is incredibly versatile and can be used for a variety of fiber arts projects, including spinning, felting, jewelry making, fly tying, and other craft projects. It is a unique and luxurious fiber that is known for its strength, warmth, and softness. (*Bos grunniens, ranch*).
